TWO NEW, EASY WAYS!

1 Round Up

Simply ask your cashier to round your bill up to the next dollar. For example, if your bill is \$12.60, you will be charged \$13, and the balance will be split between these two great organizations. It might seem like pennies, but it adds up to saving and improving lives in our community!

2 Add Up

Ask the cashier to add a dollar or two (up to \$10) to your total. That amount will be split. It's the perfect way to make every shopping trip count!
